Resolution.—To ensure water facilities near Midigesi where scarcity of water is also felt as well as to ensure a supply in the wells thereabouts, the restoration of this katte is urgent and necessary. The estimated cost of Rs. 1,668 for restoring the katte received from the Executive Engineer may be met out of the provision in the current year's District Fund Budget under the head II B. Public Works. The estimate may be sent up to Government for sanction. The work should be started pending sanction.
